

# The “Not Me” Song

(Tune: “Skip to My Lou”)

I admit my mistakes. Yes, I do!

I admit my mistakes. Yes, I do!

I admit my mistakes. Yes, I do!

I don't blame others, especially YOU (point to a friend)!

When you spill the milk, say “I did!”

When you spill the milk, say “I did!”

When you spill the milk, say “I did!”

Saying you did makes you a SPECIAL KID!

Chorus: We learn from our mistakes. Yes, we do!

We learn from our mistakes. Yes, we do!

We learn from our mistakes. Yes, we do!

Showing respect in all we say and do.

When you hit someone, you didn't mean to.

When you hit someone, you didn't mean to.

When you hit someone, you didn't mean to.

Say “I'm Sorry. Can I play with you?”

Chorus: We learn from our mistakes. Yes, we do!

We learn from our mistakes. Yes, we do!

We learn from our mistakes. Yes, we do!

Showing respect in all we say and do.

If you have a pet, take care of it.

If you have a pet, take care of it.

If you have a pet, take care of it.

Food, water, exercise and love it a bit.

Chorus: We learn from our mistakes. Yes, we do!  
We learn from our mistakes. Yes, we do!  
We learn from our mistakes. Yes, we do!  
Showing respect in all we say and do.

In the lunchroom, eat your food.  
In the lunchroom, eat your food.  
In the lunchroom, eat your food.  
Throwing it at others is VERY rude.

Chorus: We learn from our mistakes. Yes, we do!  
We learn from our mistakes. Yes, we do!  
We learn from our mistakes. Yes, we do!  
Showing respect in all we say and do.

If you knock something over, pick it up.  
If you knock something over, pick it up.  
If you knock something over, pick it up.  
Better to fix it, than to erupt.

WRITE A NEW VERSE  
TELLING A TIME YOU  
BLAMED SOMEONE  
FOR SOMETHING  
YOU DID

*I feel grown up as I sing this song.  
I feel grown up as I sing this song.  
I feel grown up as I sing this song.  
I know the difference between right and wrong.*
