

The “Not Mine” Song

(Tune: “The Muffin Man”)

**Chorus: I can be responsible,
responsible, responsible.
I can be responsible.
Be this way; it's fun!**

**Do I need some things at school?
Homework, lunch or a writing tool?
Will I remember things I need, or will I forget?
I'm responsible, I don't regret.**

**Chorus: I can be responsible,
responsible, responsible.
I can be responsible.
Be this way; it's fun!**

**I can put things away, where they should go.
A coat, my boots, mittens for snow.
Will I remember these clothes, or will I forget?
I'm responsible, I don't regret.**

**Chorus: I can be responsible,
responsible, responsible.
I can be responsible.
Be this way; it's fun!**

**Specials can be lots of fun!
I can sing, create and even run.
Will I remember what to do, or will I forget?
I'm responsible, I don't regret.**

**Chorus: I can be responsible,
responsible, responsible.
I can be responsible.
Be this way; it's fun!**

**There's a special place in my classroom
where things belong, put them away ZOOM, ZOOM!
Will I remember to put it back, or will I forget?
I'm responsible, I don't regret.**

**Chorus: I can be responsible,
responsible, responsible.
I can be responsible.
Be this way; it's fun!**

**In the lunchroom I must be kind,
waiting patiently while in line.
Will I remember my manners, or will I forget?
I'm responsible, I don't regret.**

**Chorus: I can be responsible,
responsible, responsible.
I can be responsible.
Be this way; it's fun!**

**At recess time, I play with friends.
When the whistle blows, the fun must end.
Will I remember to line up, or will I forget?
I'm responsible, I don't regret.**

**Chorus: I can be responsible,
responsible, responsible.
I can be responsible.
Be this way; it's fun!**

**I admit when some thing's mine. I don't pass blame.
I say it's mine and don't play the game.
I am responsible. It's so much fun.
Seeing my friend's smile is number 1!**

**Write a new verse telling of a time YOU were
RESPONSIBLE.**

**Chorus: I can be responsible,
responsible, responsible.
I can be responsible.
Be this way; it's fun!**
